It is imperative that students be knowledgeable of curriculum and University requirements. Although professional advisors are available for academic advisement, students must assume personal responsibility for academic progress and completion of program.

¹ MUS 358 counts toward the Arts & Letters and Global Perspectives requirements of the Bachelor of Music degree.

² One of the MUS 267-268-269 series can also count toward the Arts & Letters requirement of the Bachelor of Music degree.

★ WR 121 is a pre-requisite to MUS 267-268-269, Survey Music History, a music course series that must be taken during the sophomore year.

◆ Recommended Science area course for all music majors.

If you choose wisely, this course can be double counted in the Arts and Letters, Science, or Social Science Areas of Inquiry – this is recommended STRONGLY.

◆ Performance Majors are required to take 5 credits of upper division music courses. These may be taken any term.

*To earn 180 total credits required for the Bachelor's degree, students may need to earn additional college credit as specified.

× Must be a non-music class. Music classes may fulfill 8 out of 12 required Arts & Letters credits for the Bachelor of Music degree. The remaining 4 credits must be taken in another area.
