It is imperative that students be knowledgeable of curriculum and University requirements. Although professional advisors are available for academic advisement, students must assume personal responsibility for academic progress and completion of program.

¹ MUS 358 counts toward the Arts & Letters and Global Perspectives requirements of the Bachelor of Arts degree.

² Two courses from the MUS 267-268-269 series can also count toward the Arts & Letters requirement of the Bachelor of Arts degree.

___ The underscore indicates that there are either multiple course numbers that fulfill this requirement.

★ WR 121 is a pre-requisite to MUS 267-268-269, Survey Music History, a Music Core series that must be taken during the sophomore year.

* Recommended Science area courses for all music majors.

◆ Offered fall terms only on EVEN academic years.

MUST be US: Difference, Inequality, Agency. If chosen wisely, Cultural Literacy courses can be double counted in the Arts and Letters, Science, or Social Science Areas of Inquiry— this is STRONGLY recommended.

◆ 62 upper-division credits are required for a Bachelor's degree. To meet this general credit requirement, plan to take various Area of Inquiry or general UO elective courses at the 300 or 400 level.
